PRESS RELEASE

Dr. Chutamas Vongvorakit Supports Preservation of Thailand Cultural, History and Heritage. MOU Signed between President of Provincial Administration Chaiyaphum – Mr. Montri Chaleekure

June 11, 2014

Chaiyaphum, June 11, 2014 Dr. Chutamas Vongvorakit, Executive VP of IBB and Anametrics in NBF was invited by President of Provincial Administration Chaiyaphum – Mr. Montri Chaleekure to enter into MOU with Chaiyaphum Province in helping the support for cultural development and for Heritage Conservation, Social Economics Development and Coordination in Thailand. This important project will be jointly implemented by the Chaiyaphum Provincial Office and Anametrics group.

The official signing ceremony was held today at the Siam River Resort, main event hall in the presence of

Parichat Chaleekure, 1st Vice-Chairman of the Standing Committee on Children, Youth, Women, Elderly and Handicapped, Dennis Seah Executive VP of IBB, CK Low Group Executive VP of Anametrics.

“Through the support granted, Anametrics aims at assisting the Thailand authorities in the development of cultural policy in Chaiyaphum and help them promote culture as a key pillar towards Thailand’s overall social, political, economic and cultural development”, Dr. Chutamas stated. She added that “Culture plays a central role in the promotion of intercultural dialogue and heritage development projects at sites such as Mor Hin Khao or Stonehenge of Thailand can bring together the various elements of cultural history of the nation to emphasize understanding and mutual respect.”

During the ceremony, Dennis Seah expressed his deep appreciation to the Provincial Administration Chaiyaphum Government of Thailand for its continuous support and to the Ministry of Information and Culture for its strong leadership in protecting and preserving the cultural heritage of Thailand.

The project will aim at building capacity of experts from different departments of the Ministry of Information and Culture to enhance long-term sustainable cultural heritage management and conservation in Thailand.
